

Fee Schedule

Below 470 MHz	Member	Non-Member
Conventional or Trunked Systems		
Base or Repeater Station, New or Modification Per site/per frequency or frequency pair	\$165	\$175
Mobile/Portable — New or Modification: Increments of 5 Frequencies	\$100	\$110
Convert License from 25 kHz to Narrowband Emission	\$100	\$100
Trunked FB8/MO8 (YG) Analysis, Required/Per Site		
First Analysis	\$250	\$250
Subsequent Analysis	\$250	\$250
470-512 MHz		
Base or Repeater Station, New or Modification Per site/per frequency or frequency pair	\$275	\$300
TSB-88 Analysis, per plot - if required	\$175	\$175
800/900 MHz Band — Fees Include 40/22 dBu Short-space Certificate		
Base or Repeater Station, New or Modification Per site/per frequency or frequency pair	\$225	\$250
Public Safety 800 MHz Repeater, New or Modification	\$250	\$250
Public Safety 800 MHz Site Contour Analysis per frequency/site	\$175	\$175
Public Safety 800 MHz Spectrum Availability Report (per site)	\$100	\$100
Multiple Address Systems (MAS)		
952/928 MHz or 956 MHz, per Master Station	\$315	\$350
Electronic Submittal of FCC Form 601	\$180	\$200
1.4 GHz/217-220 MHz – New or Modification (per site)		
	\$225	\$250
3.65 GHz Application Submission – Nationwide License		
	\$210	\$260
3.65 GHz Fixed Site Coordination (per site)		
	\$165	\$175

Technical Services

	Member	Non-Member
Terrain Contour Plot – R6602 (per contour plot)	\$ 90	\$100
Terrain Path Study – Longley/Rice (per path)	\$300	\$350
Contour Analysis Certificate – R6602 (per site)	\$ 75	\$ 75
40/22 dBu Short Space Certificate – R6602	\$ 75	\$ 75
HAAT Calculation (per site)	\$ 25	\$ 30
Terrain Blockage Showing	\$180	\$200
Intermodulation Study	\$180	\$200

Spectrum Planning/Consulting Services

Call EWA for a complete analysis, review of your licenses and an optimum spectrum solution for your systems. Consulting fees are based on time and services and range from \$150- \$500 per hour.

Wireless Solutions Center and Advisory Services

EWA can help you find the right technology solution for your business needs. Use the [Enterprise Wireless Solutions Center®](#) website to do the solution and vendor research yourself, or utilize our Advisory Service for as little as \$1,800, and EWA will assist you with the research, financial analysis, and/or RFP development to save you time.

Premier Spectrum Services

Spectrum Protection Service	\$ 25 per call sign/month
Market Transaction Reports	\$300 per site/annually
Dynamic Spectrum Analyses	\$250 per request
25 kHz Statewide Sales Lead Report	\$250 per state
License Management and Monitoring of your Licenses- start at	\$100 per region

Administrative Services

	Member	Non-member
Expedited Licensing Service (per application)	\$100	\$150
Expedited Coordination Service (per application)	\$250	\$250
Form 601 - Form Preparation/Completion	\$195	\$250
Form 603 (per first call sign* - \$100 each additional call sign)	\$210*	\$260*
Application Return without Action, incurred on withdrawn or incomplete applications	\$100	\$100
Renewal of License (electronic filing)	\$100	\$100
Construction Notice (electronic filing – Schedule K)		
Without Waiver	\$ 90	\$100
With Waiver	\$100	\$125
FRN/ULS Password (acquire new or reset)	\$ 35	\$ 55
Petition for Reconsideration	\$ 60	\$ 75
Waiver Preparation Assistance	\$200	\$250
Special Temporary Authorization (STA)	\$230	\$250
Administrative Update (electronic filing/per call sign)	\$ 50	\$ 75
FAA Determination (electronic filing - 7460-1)	\$ 85	\$ 85
Antenna Structure Registration (electronic filing)	\$ 85	\$ 85
FCC License/File Number Check Daily (per call sign/file number weekly rate)	\$ 25	\$ 25
System License (per first call sign * - \$100 each additional call sign)	\$195*	\$250*

EWA Membership

- ❖ Business Enterprise Membership - \$155/yr (up to 10 mobile devices; \$9 each additional unit)
- ❖ Wireless Sales and Service Provider (WSSP) Membership - \$495/year
- ❖ Premier Membership - \$1,500/year or see Premier Spectrum Services for customized services

nancy.gruen@enterprisewireless.org**

FCC Filing and Regulatory Fees

New Application Filing Fee (per application)	\$260
License Modification Filing Fee (per license)	\$ 60
470-512 MHz & 800/900 MHz Application Filing Fee (per application)	\$460
License Renewal Fee (Per license)	
Below 470 MHz	\$260
Above 470 MHz	\$460
Waiver Request (per FCC rule section)	\$175

The EWA payment policy requires that all licensing, frequency coordination, engineering and FCC fees be submitted to EWA with each application. All work must be paid by either credit card or check prior to submission to the FCC. A drawdown account can be established by contacting Stephen Vernem at 703 797 5113. Fees include the HAAT calculation where applicable.

For additional fee or membership assistance, contact EWA Customer Service at 1.800.886.4222, 1.800.482.8282 or via email at customerservice@enterprisewireless.org.

Fees subject to change without notice
