Notice of *Ex Parte* Presentation

Dear Ms. Dortch:

On July 5, 2016, Robin Cohen, Executive Director of the Enterprise Wireless Alliance (“EWA”) and Morgan O’Brien, Vice Chairman of pdvWireless, Inc. (previously Pacific DataVision, Inc.) (“PDV”), met with Daudeline Meme, Legal Advisor to Commissioner Mignon Clyburn. EWA/PDV described the history and current utilization of the Part 90 900 MHz band, as well as the substantial additional utility and efficiency that would be produced by adopting the joint EWA/PDV Petition for Rulemaking (“Petition”). They noted the importance of investigating the optimal use of all spectrum, and urged the FCC to initiate action on the Petition as promptly as possible.

This letter is being filed electronically, in accordance with Section 1.1206(b) of the Commission’s Rules, 47 C.F.R. § 1.1206(b), for inclusion in the record in this proceeding.

If you should have any further questions or correspondence concerning this matter, please contact the undersigned at (703) 797-5112.

Sincerely,

Robin J. Cohen
