**Re: RM-11738
Notice of *Ex Parte* Presentation**

Dear Ms. Dortch:

On July 1, 2016, Mark Crosby, President/CEO of the Enterprise Wireless Alliance (“EWA”), Morgan O’Brien, Vice-Chairman of pdvWireless, Inc. (previously Pacific DataVision, Inc.) (“PDV”), along with Paul Margie and undersigned counsel met with Commissioner Michael O’Rielly and Senior Legal Advisor, Robin Colwell. EWA/PDV described the history and current utilization of the Part 90 900 MHz band, as well as the substantial additional utility and efficiency that would be produced by adopting the joint EWA/PDV Petition for Rulemaking (“Petition”). They noted the importance of investigating the optimal use of all spectrum, and urged the FCC to initiate action on the Petition as promptly as possible.

This letter is being filed electronically, in accordance with Section 1.1206(b) of the Commission’s Rules, 47 C.F.R. § 1.1206(b), for inclusion in the record in this proceeding.

Kindly refer any questions or correspondence regarding this matter to the undersigned.

Very truly yours,

Elizabeth R. Sachs
