Ex Parte

Re: Notice of Ex Parte Presentation, WP Docket No. 07-100, PS Docket No. 06-229, and WT Docket No. 06-150.

Dear Ms. Dortch:

The Utilities Telecom Council is providing the following ex parte notification in the above-referenced proceedings in accordance with Section 1.1206 of the Commission's Rules. On April 11, 2016, Ralph Haller and Doug Aiken from the National Public Safety Telecommunications Council ("NPSTC"), Mark Crosby from the Enterprise Wireless Alliance ("EWA") and the undersigned from the Utilities Telecom Council ("UTC") met with Admiral David Simpson, David Furth, Zenji Nakazawa, Renee Roland, Michael Wilhelm, Rasoul Safavian and Thomas Eng of the Public Safety and Homeland Security Bureau to discuss matters related to the above-referenced proceedings.

During the meeting, NPSTC, EWA and UTC requested that the Commission move forward and take action consistent with the recommendations in the Final Report that was filed by NPSTC on the record.¹

Thank you for your help in this matter. If there are any questions concerning this matter, please let me know.

Respectfully,

A handwritten signature in black ink that reads "Brett Kilbourne". The signature is written in a cursive, flowing style.

Brett Kilbourne

¹ 4.9 GHz National Plan Recommendations, Final Report, filed by National Public Safety Telecommunications Council in a letter from Ralph A. Haller, Chair, NPSTC, to Marlene H. Dortch, Secretary, Federal Communications Commission, dated October 24, 2013 (Report). The Report can be found at <http://apps.fcc.gov/ecfs/document/view?id=7520950503> (last accessed April 13, 2016).
