Re: WT Docket No. 24-72
***Ex Parte* Presentation**

Dear Ms. Dortch:

On April 3, 2024, the undersigned, together with Mark Crosby of the Enterprise Wireless Alliance (“EWA”) and Elizabeth Sachs, regulatory counsel for EWA, met with the Wireless Telecommunications Bureau personnel listed below. The EWA representatives described potential alternatives to licensing by auction that might be used for certain low-band narrowband and wideband allocations and explained that EWA intended to present those alternatives in its comments in this proceeding.

Please feel free to contact me if you have any questions or comments.

Sincerely,

ENTERPRISE WIRELESS ALLIANCE
