3

Order furniture and electrical from GRIT productions by **9/27** to receive discounted pricing.

4

Pre-register booth personnel by **9/8** so badges are ready for pick-up on **October 11**. Request the exhibitor personnel registration form from **[Elaine.Walsh@enterprisewireless.org](mailto:Elaine.Walsh@enterprisewireless.org)**.

5

For best prices on freight handling and to avoid hotel delivery charges, ship your exhibit boxes directly to GRIT Productions warehouse by **Monday, October 9**.

6

Participate in the Silent Auction on **October 12th** by bringing an item to donate (\$100 minimum value) to be bid on during exhibit hours. This is optional, but, last year, this generated a lot of booth traffic for exhibitors that participated. All bid forms will be provided and funds collected for you. Donations benefit the EWA-Joseph B. Vestal Endowed Scholarship at Old Dominion for students pursuing wireless studies.
