Check enclosed for \$ \_\_\_\_\_

Please charge \$ \_\_\_\_\_ to  Visa  MasterCard  American Express

Credit Card Number: \_\_\_\_\_ Expiration Date: \_\_\_\_\_

Cardholder Name: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Fax completed form to 703-524-1074 or 717-337-9157, mail to either EWA office above or email to [customer.service@enterprisewireless.org](mailto:customer.service@enterprisewireless.org). Please use this form for Narrowband Emission changes ONLY. Any additional modification requests or missing information may require coordination services. For assistance, please call 800-886-4222. We appreciate this opportunity to be of service.

<sup>1</sup> Governmental Entities are exempt. Non-profit applicants in the Special Emergency and Public Safety Radio Services are exempt from the application fee, provided a current Determination Letter accompanies the application from the Internal Revenue Service documenting their non-profit status under IRS Code § 501(c)(3).

<sup>2</sup> See FCC rule section §1.917(a) Who may sign applications.

<sup>3</sup> In VHF the Public Safety Pool TDMA frequency coordination is **at full fee based** on the public safety frequency coordinator's fee schedule.
